REBUILD MEXICO

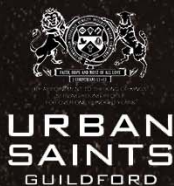

APRIL 2014

In April 2014 a team from Urban Saints Guildford are going to Mexico in conjunction with the Charity Amor ministries (www.amor.org). The team will be helping to build houses in a poor community near the city of Tijuana. **They will provide much needed practical support and encouragement for the local people, many of whom live in in very poor conditions.** The trip will also be a fantastic opportunity for the group to develop a cross cultural understanding as they serve others in a different country.

FUNDRAISING EVENING

08 MARCH 2014

In order to help raise the funds needed for the team to go to Mexico **we would like to invite you, your friends and your family to join us for a great evening of entertainment.** You will get to enjoy a quiz, awesome live music and an authentic Mexican meal. So bring your cheque books, there will be opportunities to give throughout the evening.
